

Dear Valued Prairie Lane Clients and Pet Families,

It is with a heavy heart that we share some bittersweet news: Prairie Lane Veterinary Hospital will be closing its doors after many years of serving the pets and families of Omaha and surrounding communities.

Since 1967, our dedicated team has been honored to provide compassionate, high-quality veterinary care to your beloved dogs, cats, and other companions. We are deeply grateful for the trust you've placed in us, the smiles we've shared during wellness visits, and the comfort we've offered during challenging times. Your pets have truly felt like part of our family, and it has been our privilege to care for them.

To ensure the smoothest possible transition and continued excellent care for your pets, we have partnered closely with **Rockbrook Animal Clinic** (located at 2814 S 107th Ave, Omaha, NE 68124) to transfer all of your pets' medical records securely. Rockbrook Animal Clinic is a highly respected, full-service veterinary practice that has been serving the Omaha community for almost 30 years. Rockbrook Animal Clinic is led by Dr. Martin Ramm, DVM, who spent 8 years caring for pets at Prairie Lane before opening Rockbrook, and by a compassionate team that shares our commitment to personalized, advanced veterinary medicine.

#### **Why we wholeheartedly recommend Rockbrook Animal Clinic:**

- They offer comprehensive services including wellness exams, vaccinations, sick visits, surgery, dental care, diagnostics, and more—everything your pet needs at every stage of life.
